

Jellyfish

COOL FACT:

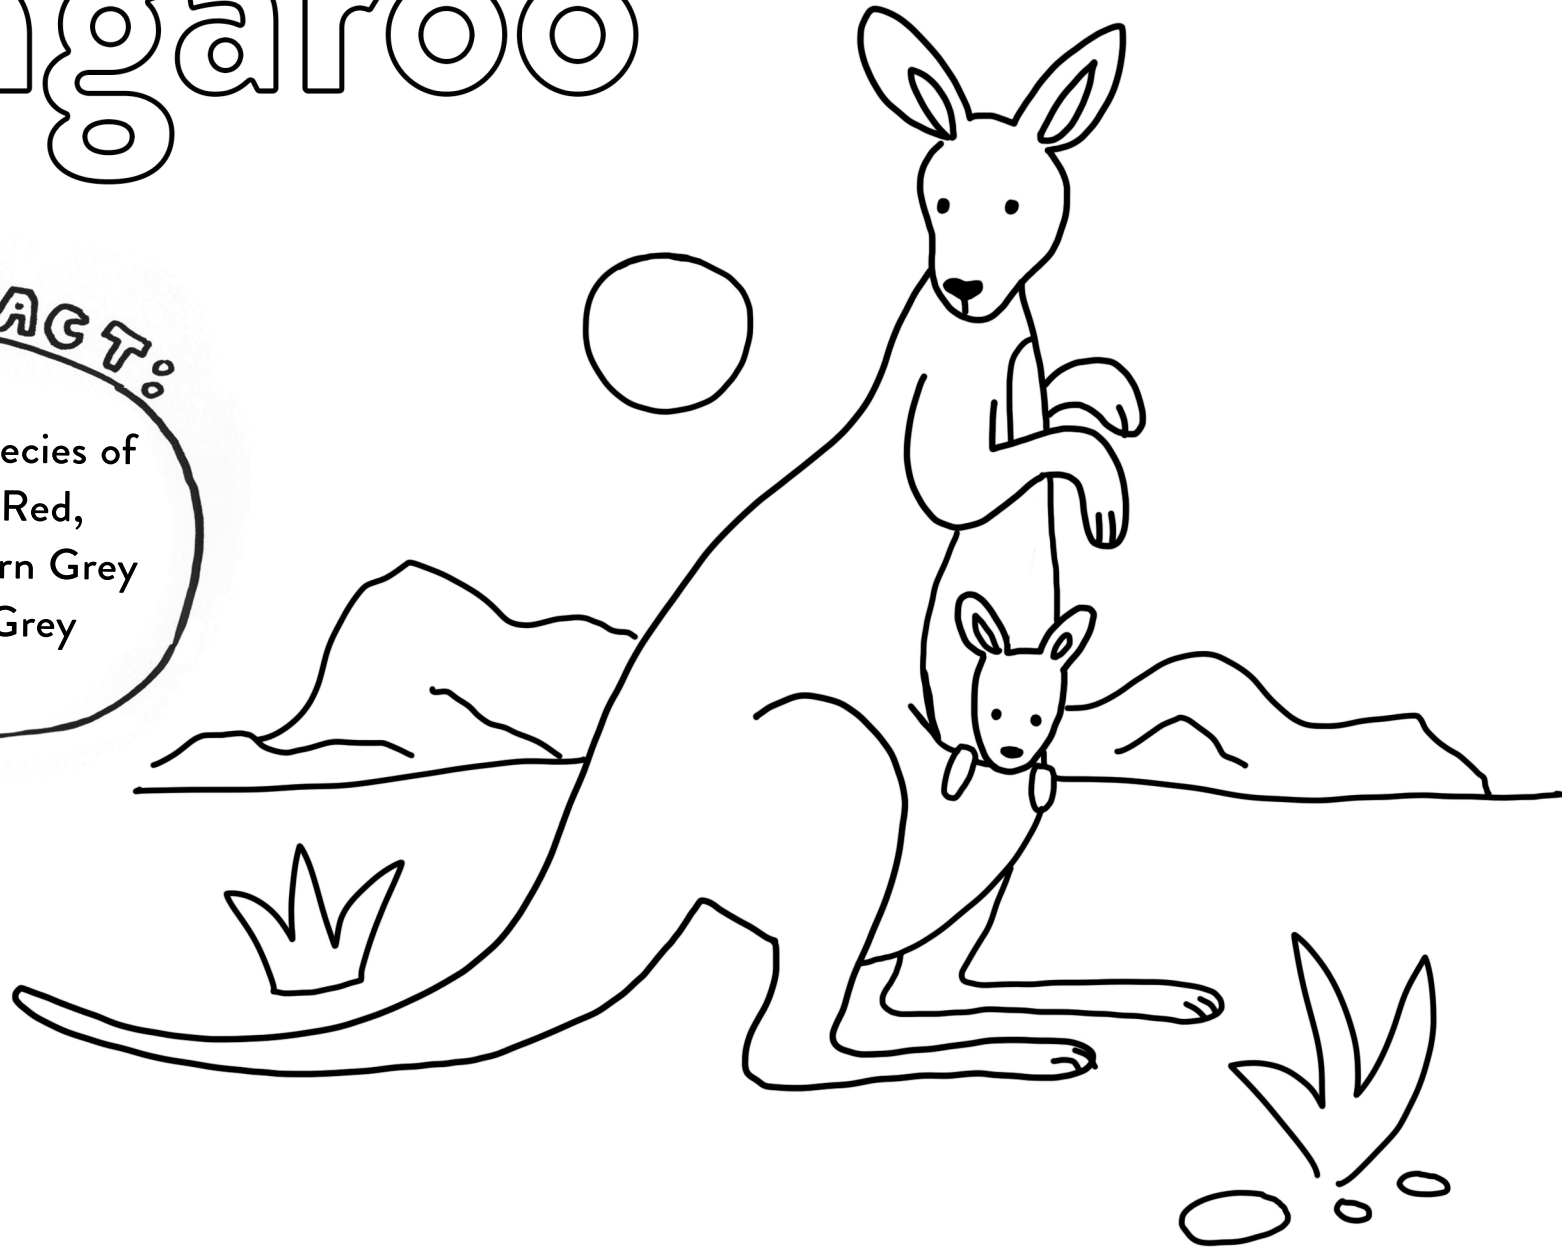

Jellies don't have bones, brains, teeth, blood or fins—and they're more than 95% water.

NATIVE TO:
All Oceans

Kangaroo

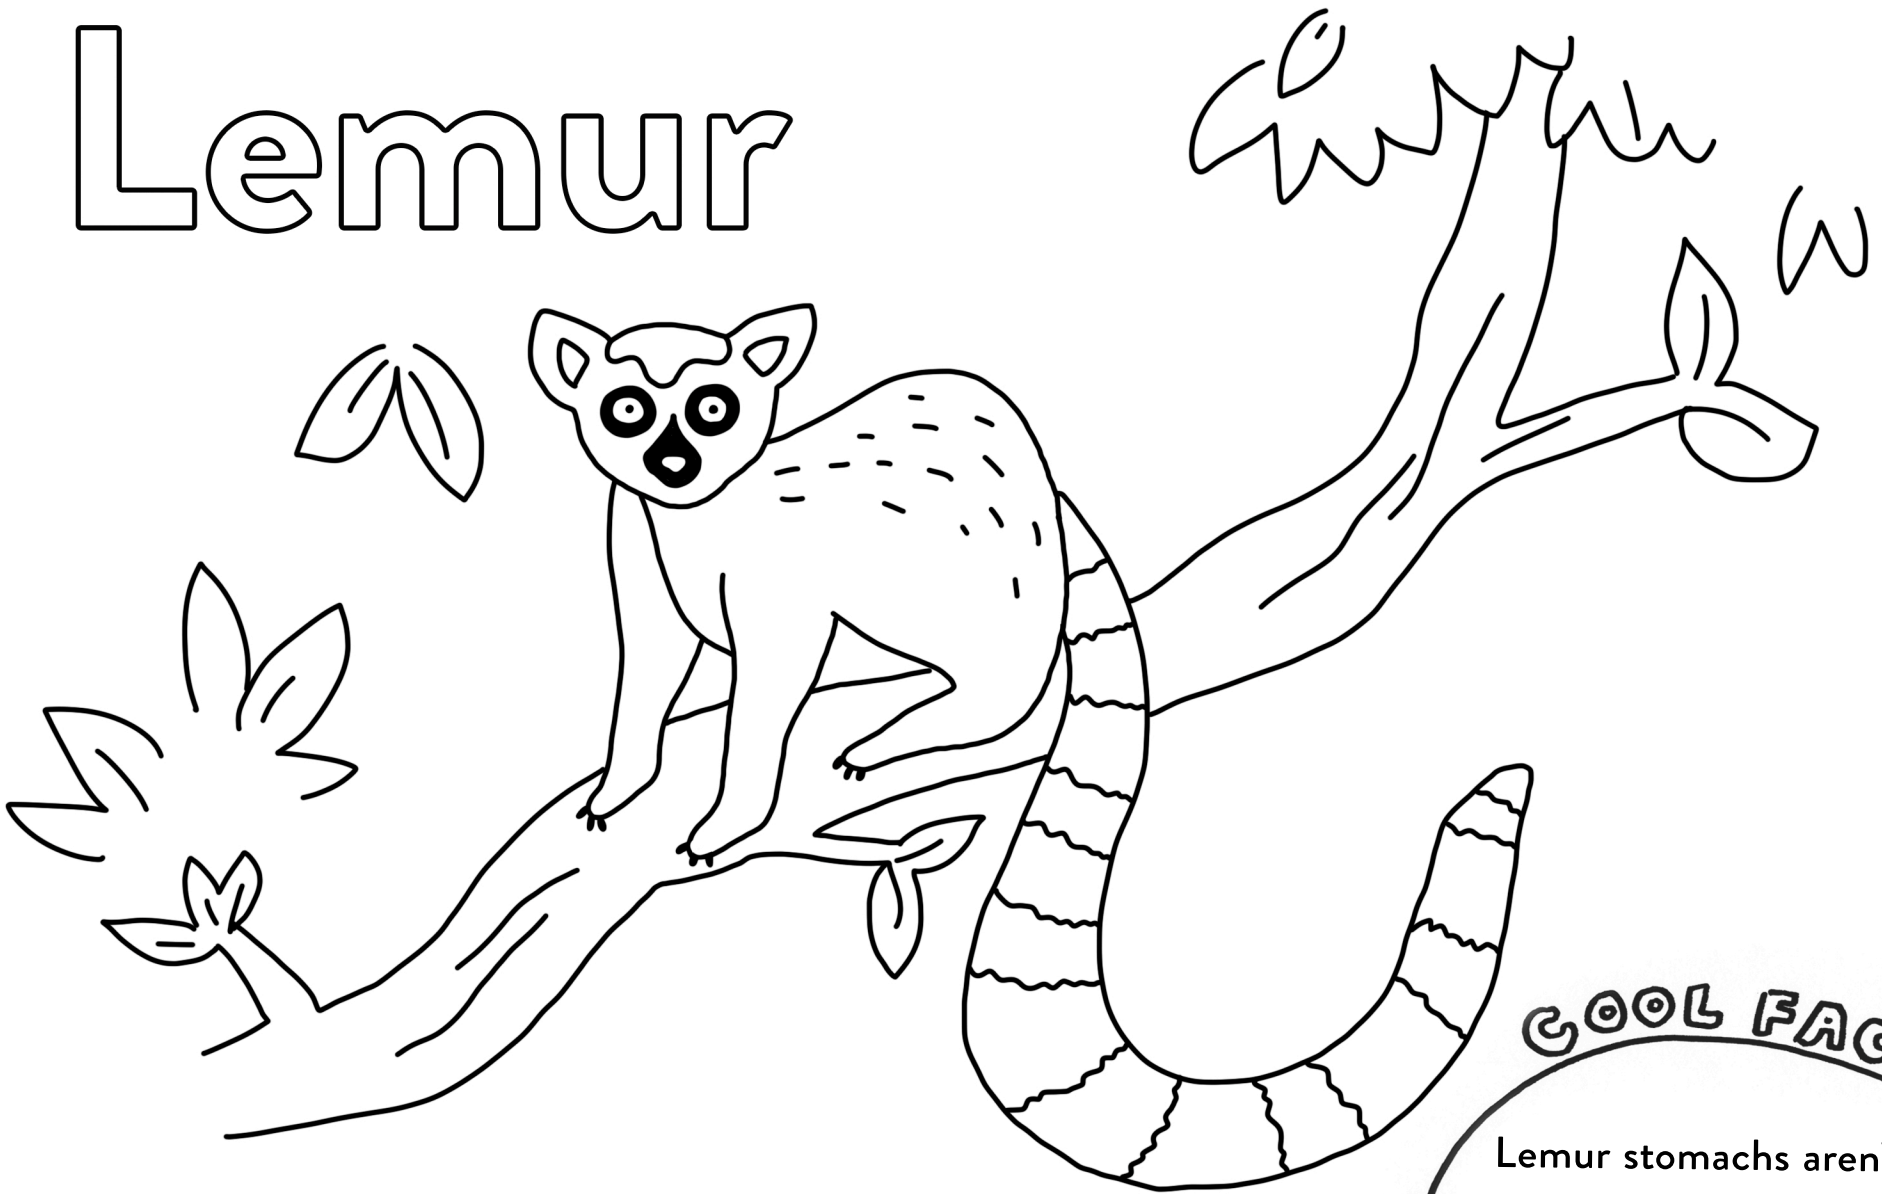

COOL FACT:

There are four species of kangaroo, the Red, Antilopine, Eastern Grey and Western Grey Kangaroo.

NATIVE TO:
Australia

Lemur

NATIVE TO:
Madagascar

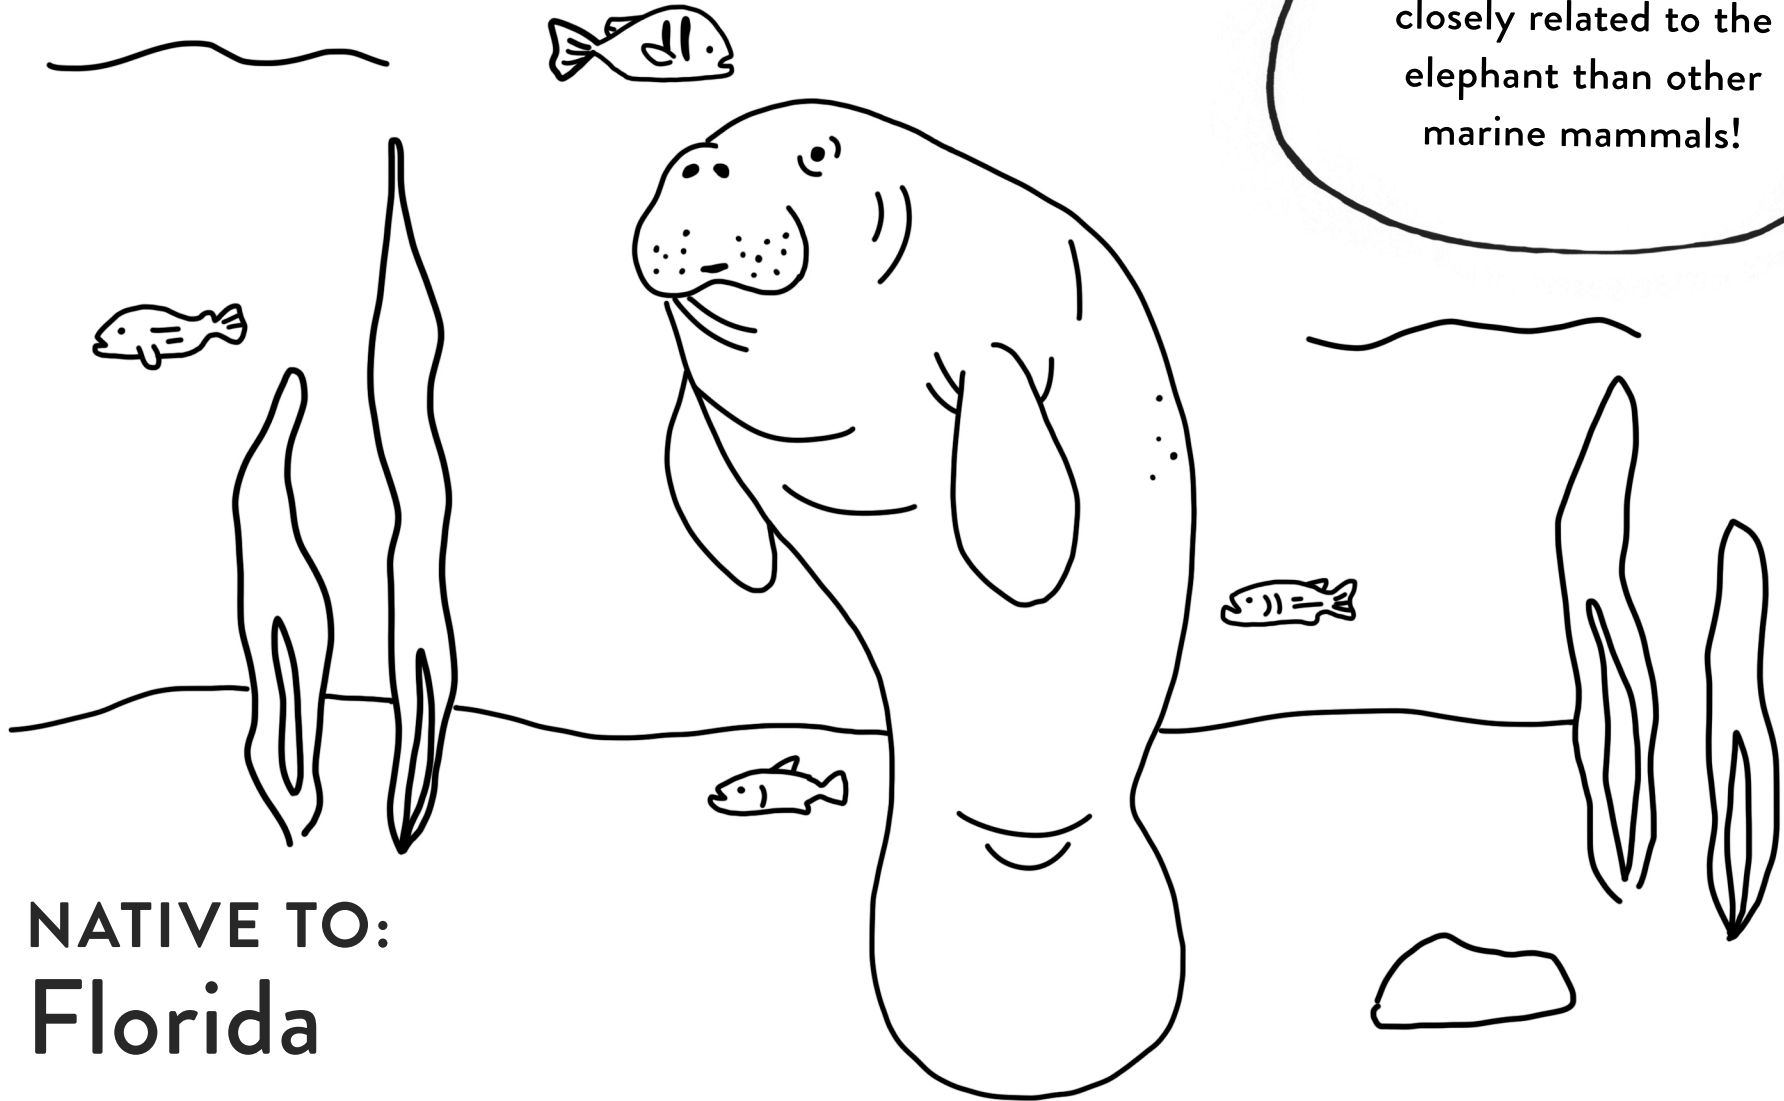

COOL FACT:

Lemur stomachs aren't as furry as the rest of their bodies, so they often point their bellies toward the sun for warmth.

Manatee

COOL FACT:

Manatees are more closely related to the elephant than other marine mammals!

NATIVE TO:
Florida
